UNIVERSITY OF NEBRASKA MEDICAL CENTER

Welcome to the 2025-2026 UNMC Catalog. The catalog provides curricular requirements, course descriptions, policies and current information for the 2025-2026 academic year.

UNMC is home to six colleges: allied health professions, dentistry, medicine, nursing, pharmacy and public health. UNMC's graduate studies, as part of the university-wide Graduate College, offers research degrees in a spectrum of health and biomedical sciences.

Nationally-ranked programs, award-winning faculty and cutting-edge approaches to learning are just a few reasons why our graduates go on to rewarding careers and continue to shape the future of science, academia and health care.
