

DAN SWANÖ

DAN SWANÖ – “Moontower (Re-issue)” out now;
EDGE OF SANITY – “Cryptic (Re-issue)” and “Elegy - Chapter II (Demos Comp.)” coming next month!

As part of the “Fourth Chapter” of the comprehensive catalogue re-issue campaign for Dan Swanö fronted Death Metallers EDGE OF SANITY and Prog/Hardrock outfit NIGHTINGALE, the time is now also come to re-issue a definitive version of the first solo by the Swedish vocalist, multi-instrumentalist and acclaimed metal producer (Opeth, Katatonia, Dissection, etc.). Originally released in 1999 to much acclaim due to its stylistically groundbreaking keyboard-oriented, atmospheric and 70’s rock inspired Death Metal, DAN SWANÖ’s “Moontower (Re-issue)” is out today via Century Media Records worldwide.

Next to a careful full remastering treatment by Dan Swanö himself, “Moontower (Re-issue)” comes with plenty of bonus material (several demos and two cover versions) in the following formats:

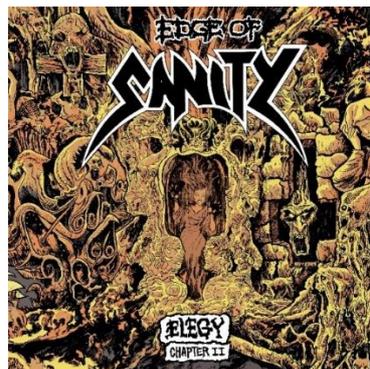

DAN SWANÖ – “Moontower (Re-issue)”

- Ltd. Deluxe 2CD Jewelcase in O-Card (Incl. the original 8 tracks / 43 min. on 1st disc and 16 bonus tracks / 71 min. on 2nd disc)
