

Grants.gov Release Notes

R2025-01.2 Account Merge Retirement, Enhanced Profile Messaging, and Email TLD Updates

Production Deployment: April 18, 2025

Training Deployment: April 21, 2025

Release Notes Overview

Summary of Changes

- Removed the merge account functionality from My Account.
- Improved messaging for Add Profile.
- Made Grants.gov user account email addresses with top-level domains (TLDs) compliant with the Internet Corporation for Assigned Names and Numbers (ICANN) standards on the website.

Impact

- Users can no longer merge their duplicate accounts.
- Text changes will help users to better understand and resolve errors when entering Unique Entity Identifiers (UEIs) in Add Profile.
- Grants.gov user account email addresses used for Grants.gov registration with latest ICANN-approved TLDs will be accepted.
