About Us

Algaree

Who are we?

We are Algaree, a subsidiary of the DVKSP Group, a multinational group with a presence in the United Arab Emirates, North America, Europe, and India.

Algaree is an emerging business in the travel industry, offering a wide range of services to both corporate and leisure travellers. We specialize in creating customized packages for our customers that meet their needs, while also providing them with exceptional value. Whether you are looking to book your business or leisure travel, we have a range of packages available to suit all budgets and requirements. From hotel and air ticket bookings to group packages and corporate bookings, we have it all covered. With us, you can be sure that your trip will be unforgettable! So, what are you waiting for? With us by your side, let us explore the world together!

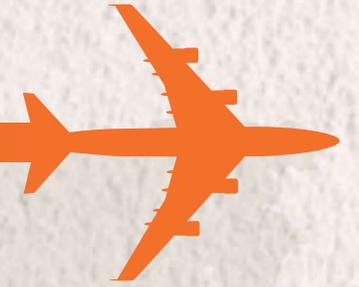

Our story

Our story began with our need for a dependable travel service provider. We noticed a gap in the market regarding good travel services, so we decided to take matters into our own hands. With this idea in mind, we set out to create a company that would offer the best possible experience for travellers all around the world. Over the years, our business has grown and evolved, but at its core is our commitment to providing excellent customer service and quality travel services. We are proud of how far we have looked forward to continuing to provide travellers with unforgettable experiences.

Why Algaree?

Algaree is the perfect solution for all your travel and tourism needs. We offer our customers a wide variety of services, such as customized itineraries according to customer needs, better-than-market rates, and complex route planning. These are the key unique selling points that make us stand out from the competition.

Our team of experts will collaborate closely with you to ensure that you get the best possible experience while traveling with us. We understand each customer's requirements and craft customized itineraries to ensure their satisfaction. Our

rates are better than what is available in the market, which makes us highly competitive in this industry. Additionally, our advanced algorithms help us plan complex routes quickly and reliably at a fraction of the time it would normally take without automation.

Unique Products

- We are having more than 100+ Unique and Untouched curated itinerary for travel enthusiast.
- Also we are having best airfares in the market even in compare with online OTA's we are offering less airfare and best services.
- We have separate corporate travel desk department.
- We are providing pure veg meals along with other international cuisines as per the travelers palate across the world in all destinations.

Systems We Use

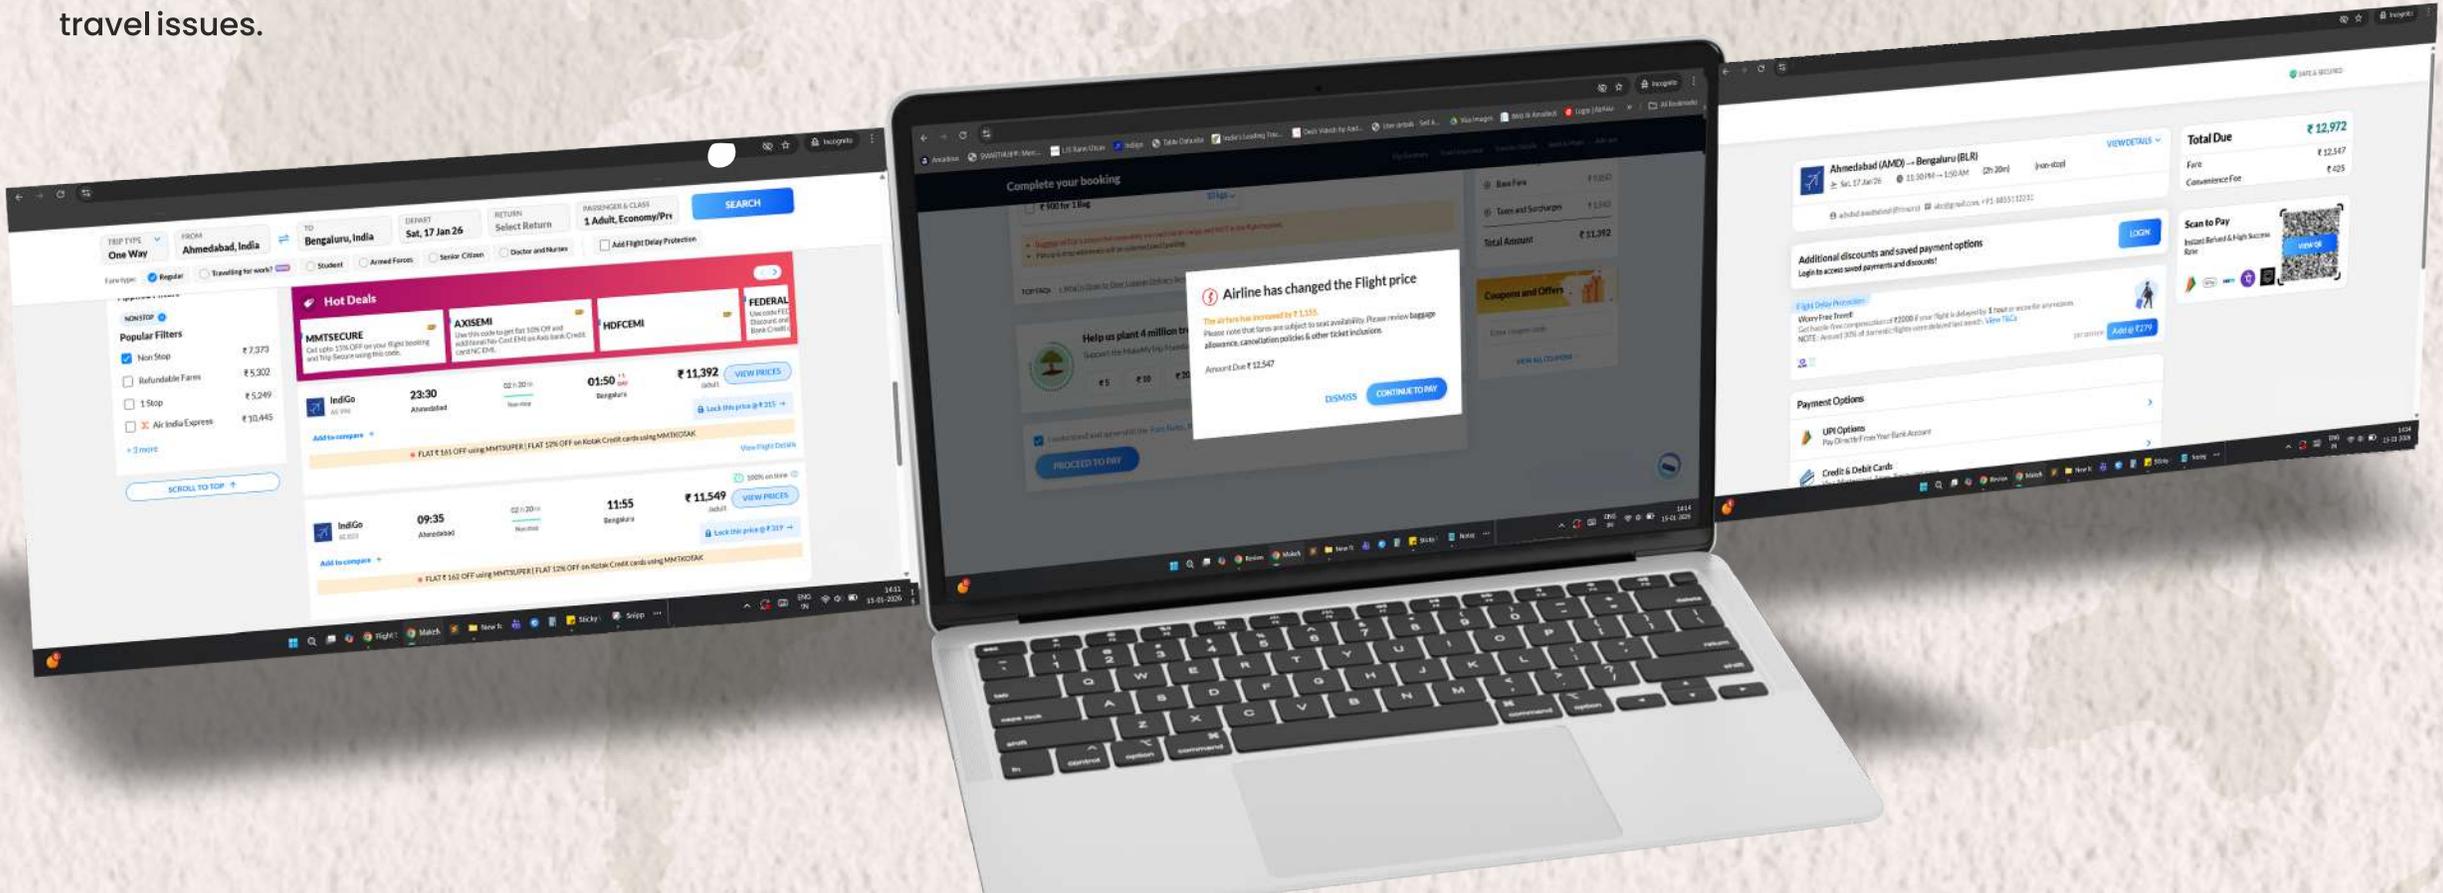

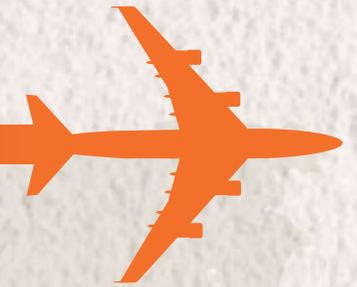

Price Fair Comparison

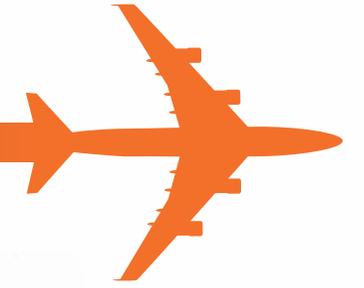

No hidden fees. No last-minute surprises. Just honest fares with 24×7 support.

Online fares may appear lower initially, but often increase at checkout due to convenience fees and conditions. We offer honest pricing with no hidden surprises.

While many OTAs add extra fees and offer limited support, we provide fair pricing and dedicated 24×7 assistance for any travel issues.

The Feedback We Receive From Our Customers

A central graphic with a white background and an orange border. It features a large orange speech bubble containing the text "THE CLIENT'S COMPLIMENTS" in bold blue letters, with a five-star rating below it. The graphic is surrounded by various icons: thumbs-up, hearts, speech bubbles, and a group of people icon. At the bottom, there are faint line-art illustrations of city landmarks like the Burj Khalifa and the Leaning Tower of Pisa.
