

ASBA Facility

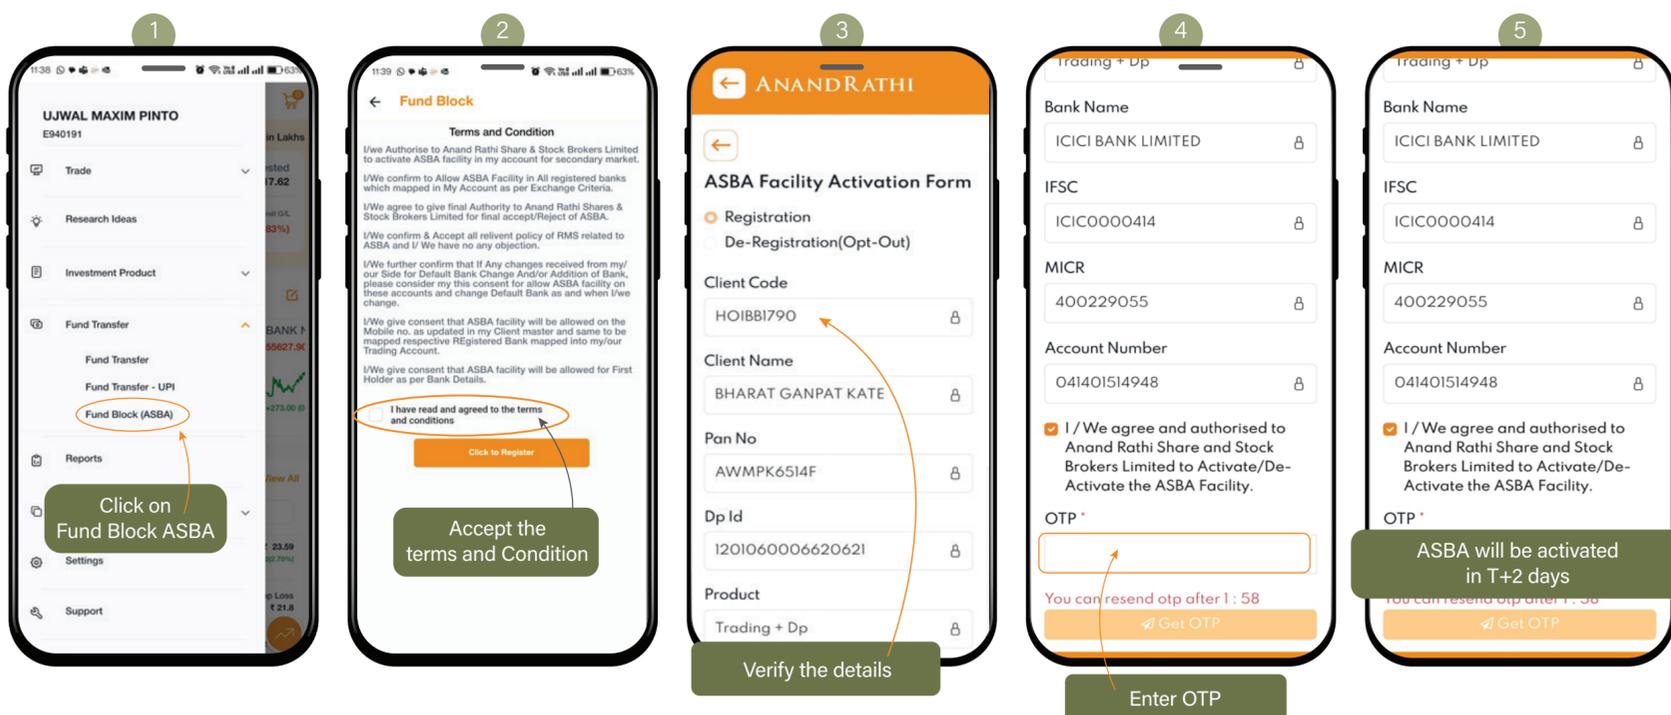

Trade seamlessly with the **ASBA** facility, no need to transfer funds to your trading account! Simply block the required amount directly from your bank account and start investing with ease.

Highlight

1. **No Upfront Deposits:** Skip transferring money into your trading account. Funds stay in your bank until needed.
2. **Direct Credit on Sell:** Get funds directly into your bank account when you sell stocks.
3. **Earn While You Wait:** Continue earning interest on the unused blocked amount in your bank.

How to Activate

Important Limitations

During Activation (T+2 Working Days):

- **All Trading Blocked:** You won't be able to buy or sell until the facility is activated.
- **No Fund Activity:** Fund addition or withdrawal is restricted during this time.

After Activation:

- **Allowed:** Equity & Mutual Fund Trading
- **Not Allowed:**
 - o F&O, Commodities, Currency
 - o Intraday Trading
 - o Margin Trading Facility (MTF)
 - o Margin Pledging
 - o SLBM
