ARTEMIS' Educational Programmes

- ***Independent initiatives*** - not linked to University's admissions process.
- The programmes, including the selection of scholarship candidates, is ***managed by ARTEMIS***.
- Candidates are selected based on ***academic excellence*** and a range of ***socioeconomic criteria***.

Programme Aims

To **provide opportunities** for students from Greece to pursue higher education at one of the world's leading universities for engineering

To **remove barriers** to access for students wishing to study engineering at Imperial

To **inspire and motivate** the next generation of the world's top engineers
