

Expert Hub sign-up guide

This guide will take you through the process of signing up and logging in to Third Bridge Expert Hub. Please follow these steps to create your account and gain access to the platform.

Important note: Double-check that you have entered the correct email address associated with your Third Bridge account. If you are unsure which email address is associated with your Third Bridge account, please contact our team at **specialist-queries@thirdbridge.com**. If you haven't logged into Expert Hub before — even if you had worked with Third Bridge in the past — you need to create an Expert Hub account first.

Method 1:

Email + Password

1. Load Expert Hub on your browser

Open your web browser and go to the Expert Hub sign-up page: **expert-hub.thirdbridge.com**

2. Click on “Create Account” at the bottom of the page

3. Enter your email address

In the “Email address” field, enter the email address associated with your registration at Third Bridge. It is crucial to use the correct email address to ensure you can access the platform

4. Create a password

In the “Password” field, enter your desired password.

For security reasons, choose a strong password that you have not used elsewhere.

5. Continue

Click the “Continue” button to proceed.

6. Open your inbox and find the email

Email will be titled “Third Bridge Expert Hub: Verify Your Account”

7. Open the email and verify

Click “VERIFY YOUR ACCOUNT” button.

8. Congratulations!

You have successfully verified your Expert Hub account and will be automatically redirected to the Expert Hub Home Page.

This invite will expire in 24 hours.

Method 2:

Use Google, LinkedIn and Apple sign in methods

1. Select authentication provider

Click one of the “Sign in with Google,” “Sign in with Apple,” or “Sign in with LinkedIn” button. Please ensure that the email that is associated with one of these providers is the same email that you use for communicating with Third Bridge.

2. Authorize access

Log in to your Google, Apple, or LinkedIn account if prompted. Then, grant the website/app permission to access basic profile information (usually name, email, and profile picture).

3. Congratulations!

You have successfully verified your Expert Hub account and will be automatically taken to the Expert Hub Home Page.
