100 Organizations and a
Pioneering Ecosystem Want
to Connect With Your Startup

Put Your Innovation Into Action

BIND fosters innovation and community, connecting global startups with Basque Corporates, SMEs, and Public Sector Organizations, creating opportunities to grow and scale.

Our Open Innovation Platform drives transformation in Smart Industry, Clean Energy & Sustainability, Health Tech, and Food Tech, enabling startups to implement solutions in real scenarios. The venture-client approach means selected startups will have at least one paid project with well-respected companies, in addition to unparalleled business support.

Participate and Get

- POC, Market Validation in Real Environments
- Business Opportunities with Established Companies
- Immersion into Basque Advanced Industrial Ecosystem
- Paid Contracts with Reference Clients
- Extensive Knowledge Sharing & Training
- Retain IP and Ownership, Zero Fees
- Access to Funding & Investors
- High Impact Mentoring

BIND Impact

BIND fosters mutually beneficial Startup-Client collaborations through Open Innovation projects, driving digital transformation for companies and accelerating startup growth via real use cases and reference customers.
