*Losing you is so unfair
Losing you is so hard to bear
But to remember all the times we had, makes us feel not as sad.
Life can be a short stay, but thoughts of you can be relived everyday...
So farewell dearest friend, life may fail but memories never end.*

Theo, our beautiful boy and first baby
Thank you for all of the amazing years together, we will love you and
remember you always.
Your family, Frankie, Giorgia, Lola and Lilli.
