

# STUDENT ACTIVITY PARTICIPANT AGREEMENT

I acknowledge that participation in the activities participated in from January 1, 2026 to December 31, 2026, involves risk to the participant (and to the participant’s parents or guardians, if the participant is a minor), and may result in various types of injury including, but not limited to, the following: sickness, exposure to infectious/communicable disease, bodily injury, death, emotional injury, personal injury, property damage, and financial damage.

In consideration for the opportunity to participate in activities that take place from January 1, 2026 to December 31, 2026, the participant (or parent/guardian if the participant is a minor) acknowledges and accepts the risks of injury associated with participation in and transportation to and from activities taking place within the time period.

The participant (or parent/guardian) accepts personal financial responsibility for any injury or other loss sustained during this time period or during transportation to and from activities during the time period, as well as for any medical treatment rendered to the participant that is authorized by Double Oak Community Church (“DOCC”), its employees, volunteers, agents, assigns, officers, directors, successors, and predecessors, or any other representatives of DOCC (collectively referred to as the “activity sponsor”). Further, the participant (or parent/guardian) releases and promises to indemnify, defend, and hold harmless the activity sponsor for any injury arising directly or indirectly out of activities or transportation to and from activities during the time period, whether such injury arises out of the negligence of the activity sponsor, any participant, or otherwise. The participant (or parent/guardian) fully and forever release DOCC, its employees, volunteers, agents, assigns, officers, directors, successors, and predecessors from any and all liability associated with any participant’s participation in any DOCC activity.
