HOUSE BILL No. 42

---

Introduced by HONORABLE ERNESTO "ERNIX" M. DIONISIO, JR.

---

**AN ACT PROVIDING FOR  
THE INCREASE OF THE MINIMUM AMOUNTS OF THE COMPONENTS OF  
PANTAWID PAMILYANG PILIPINO PROGRAM (4Ps) GRANTS**

**EXPLANATORY NOTE**

Under Article II, Section 9 of the 1987 Constitution, the State is committed to promoting a just and dynamic social order for purposes of liberating the people from poverty.

To give life to such Constitutional guarantee, Republic Act No. 11310 (2019), entitled "**Pantawid Pamilyang Pilipino Program (4Ps) Act**" was legislated as a flagship poverty reduction strategy of the Philippine Government. Section 4 declares that the 4Ps shall be "the national poverty reduction strategy and a human capital investment program that provides conditional cash transfer to poor households...to improve the health, nutrition and education aspect of their lives."

As a means to address the plight of our less fortunate brothers and sisters, we must, once again, revisit the mechanism that enhances the avenue for them to better their current economic realities. We must be proactive in ensuring that their grievance redress mechanism is made accessible when needed.

Let us remember that it is through our rules, as well as through the rule of law, that we are able to provide for those most in need of aid and protection.

Hence, in line with the above mentioned policies, and in response to the socioeconomic realities thus brought to light, the State, through this Bill, must increase

the minimum amounts of 4Ps grants, with the ultimate objective of raising the minimum amounts, listed in Section 7(1) of R.A. No. 11310.

It is for the foregoing premises that the approval of this Bill is earnestly sought.

2. The length of time that such increased 4Ps grants shall need to be sustained, to successfully aid the beneficiaries in getting back on track to becoming self-sufficient.
