Quezon City

TWENTIETH CONGRESS

First Regular Session

HOUSE BILL NO. 1293

Introduced by Representative **MARLYN L. PRIMICIAS-AGABAS**

EXPLANATORY NOTE

This bill seeks to establish a multi-purpose farm for the breeding, spawning, and hatchery of catfish, tilapia, mudfish, eel, and other fresh water fishes, which are viable in concrete tanks and mud ponds in the Municipality of Tayug, Province of Pangasinan.

Tayug is a land-locked municipality and many of its communities rely mostly on agriculture, particularly the cultivation of rice and assorted vegetables. Fish, which is integral to a healthy staple food for everyone, along with rice, meat, fruits and vegetables, is scarce and expensive in this locality. And so, the creation of the proposed multi-purpose farm in Tayug presents a viable solution to the scarcity of, and will timely meet the increasing demand for, this aquatic commodity in the Municipality of Tayug. It will provide, for its communities, a stable source of fry or fingerlings as well as reliable technical expertise for the care and operation of small-scale fish farms; thereby, ultimately leading to the empowerment of many people in these communities and the creation of secondary income streams, which will augment their incomes from agriculture. Moreover, it will empower small-scale fish farmers and strengthen local aquaculture, which leads to inclusive rural development, contributes to food security, and aligns with Section 7, Article XIII, of the 1987 Constitution, which mandates the State to protect the rights of subsistence fishermen, especially of local communities, to the preferential use of local marine and fishing resources, both inland and offshore.

This proposed bill, although local in its scope and application, will eventually redound to nation-building, as it will provide a viable source of livelihood for people in the rural areas of Tayug, and eradicate poverty subsisting therein, particularly in far-lung communities. Moreover, it will also help in the rejuvenation of the fish industry.

For reasons given above, approval of this bill is earnestly sought.

TWENTIETH CONGRESS

First Regular Session

HOUSE BILL NO. 1293

Introduced by Representative **MARLYN L. PRIMICIAS-AGABAS**

AN ACT ESTABLISHING A MULTI-PURPOSE FARM FOR THE BREEDING, SPAWNING, AND HATCHERY OF CATFISH, TILAPIA, MUDFISH, EEL, AND OTHER FRESH WATER FISHES IN THE MUNICIPALITY OF TAYUG, PROVINCE OF PANGASINAN.

Be it enacted by the Senate and House of Representative of the Philippines in Congress assembled:

SECTION 1. There shall be established, under the supervision of the Bureau of Fisheries and Aquatic Resources of the Department of Agriculture (BFAR-DA), a multi-purpose farm for the breeding, spawning, and hatchery of catfish, tilapia, mudfish, eel, and other fresh water fishes in the Municipality of Tayug, Province of Pangasinan.

SECTION 2. The BFAR-DA shall disseminate its technical knowledge and expertise on the culture of catfish, tilapia, mudfish, eel, and other fresh water fishes to the people in the Municipality of Tayug, Province of Pangasinan; and shall continuously conduct research and experimentation on the breeding, spawning, hatchery, and culture of these fish species with the aim of discovering new cost-effective methods and technologies, especially as they apply to local conditions.

SECTION 3. The Secretary of Agriculture shall include in the Department's programs the establishment of the multi-purpose farm for the breeding, spawning, and hatchery of catfish, tilapia, mudfish, eel, and other fresh water fishes in the Municipality of Tayug, Province of Pangasinan, the funding of which shall be included in the annual General Appropriations Act. Further, the local government unit concerned shall set aside an amount deemed appropriate for the operation and maintenance of the said multi-purpose farm to be sourced from any of its available local revenue.

SECTION 4. The BFAR-DA shall promulgate the necessary rules and regulations to implement this Act.

SECTION 5. This Act shall take effect fifteen (15) days after its publication in the *Official Gazette* or in a newspaper of general circulation.

Approved.
