January Class Descriptions

Alternative AUS Solution: Join PRMG University to learn about PRMG's non-QM Alternative AUS Solution product which provides options for conforming and jumbo loans amounts for using DU Findings to qualify, along with options like non-warrantable condos and condotels.

Capital Markets National Conference Call: Discusses various relevant Secondary issues that help you to understand how loans are priced, how secondary pricing and program decisions interact with other departments, what factors impacts pricing from servicing value to loan performance, why and when competitors may differ in pricing strategy, and many other facets within the capital markets enterprise. This training is applicable for **all channels**.

Chase Community Lending Program: The Chase Community Lending Program is available for the retail channel only and is an incentive-based (aggressively priced) Agency Product to help more borrowers close the racial wealth gap with increased homeownership in designated majority/minority census tracts.

Citibank Homerun Community Lending Program: Join PRMG University to learn about the Citibank Homerun Community Lending Program that is available in the Retail Channel for select geographical areas. The program provides enhanced pricing options and is designed to meet the needs of the low- and moderate-income ("LMI") borrower by offering lower down payment requirement options along with underwriting flexibilities.

Chenoa Product: Join PRMG University to learn about the Chenoa Product which is available nationwide and offers a forgivable and repayable down payment assistance option.

Emerald: Join PRMG University to learn about the Emerald Jumbo product with loan amounts up to \$3,000,000 and LTVs to 89.99%.

Essent: Join PRMG University and Essent for this training where we'll break down the differences between 1099-NEC (Non-Employee Compensation) and 1099-MISC and discuss how each impacts a borrower's ability to qualify.

Enact: Join PRMG University and Enact for this training where we'll review key Fannie Mae and Freddie Mac changes announced in 2025 and discuss what you need to know to prepare for 2026.

Fannie Mae's Non-Traditional Credit: With DU 10.0, PRMG offers non-traditional credit with the Agency Fannie Mae product, learn about what non-traditional credit is and the requirements when using it.

Fannie Mae Refi Now and Freddie Mac Refi Possible: Join PRMG University to learn about the Fannie Mae RefiNow product which is a refinance option that offers expanded eligibility to benefit borrowers at or below 80% of the area median income (AMI) limit and helps more borrowers take advantage of the current low-interest rate environment.

FHA 203(h) - Mortgages for Disaster-Affected Borrowers: Learn about the FHA 203(h) product, the Mortgage Insurance for Disaster Victims program, which allows for up to 100% financing for the purchase of a new home for borrowers who owned or rented a home in a Presidentially Declared Major Disaster Area (PDMDA) that was destroyed or damaged to such an extent that replacement is necessary.

Freddie Mac's Home Possible: Learn about PRMG's FHLMC Home Possible product, which offers low down payments for low- to moderate-income homebuyers or buyers in high-cost or underserved communities.

Government Streamline: Learn about the FHA Streamline, VA IRRRL and USDA Streamlined Assist products, which allow for a non-credit qualifying refinance of existing government loans
