PRECOA **GIVES BACK**

OVERVIEW

Precoa Gives Back presents a profound opportunity to make a tangible difference in the local community by contributing to the upkeep and improvement of Elementary School Julio Ruelas in Tulum, the first school in the area, which has been nurturing 830 students for 45 years. Participants will work together in teams to address the school's most pressing needs, from painting the boundary fence and classrooms to restoring key elements such as ramps, doors, and benches. Additionally, they will engage in clearing rubble and weeds and assembling a new playground. Each task will create a lasting transformation, not only enhancing the school's environment but also uplifting and enriching the broader community it serves. Active project time is 2 hours.

INCLUDES

AC transport, bilingual guide, water, all supplies for service project.
