ASIA-PACIFIC, AMPLIFIED

OUR COMMUNITY BRINGS THE REST OF THE WORLD TO APAC

Whatever's next for high-end travel, it starts in the Asia-Pacific region – where luxury has no limits. Our exhibitors show it. Our global buyers and media are ready to see it and unlock a deeper sense of APAC's true potential.

Here, on the shores of Bali, we make that happen. FE gathers the best movers, shakers and risk-takers in our industry, so you can do business differently. No suits. No ties. Just barefoot under the sun. Finding and nurturing true connections that don't feel like work.

WHY ATTEND FE? IT'S SIMPLE:

- 1 Access-all-APAC contacts**, dedicated exclusively to growing the region's supremacy for luxury escapes.
- 2 Up to 42 tailored, prescheduled meetings** to give you private time with the brands you most want to meet.
- 3 An extraordinary setting** to help your ideas thrive together — with gourmet catering and drinks events.
- 4 A welcome at Open House**, our half-day thought leadership festival, stirring more conversations.
- 5 Two evening parties** a curated programme of networking lunches and evening events

WHO ARE OUR EXHIBITORS?

Next-level luxury hotels. Remote resorts. City centre gems. Leaders who guide and shape the unexpected for nomads seeking more conscious, inspired getaways. All of our exhibitors are based in the APAC region. It's a huge part of what makes our community unique.

WHO ARE OUR BUYERS?

A niche list of trailblazers from across the world, taking travellers to places and experiences they've never seen or felt before. Our buyers are keen to understand what makes Asia-Pacific the definitive destination for their clientele. They already know the region well, yet want to connect with more of APAC's trailblazing brands.
