Performance Club Milestones

Successful Associates know being Performance Club Qualified each month is key! Consistently PC qualify to earn a PC pin, recognition on our monthly Communication Show, awards at the Legends level, and more!

How to Performance Club Qualify

- There is no required waiting period to begin earning PC points. New associates can participate in their first month!
- PC points can be achieved through membership sales, recruiting new associates, helping recruits Fast Start Qualify, and opening new groups.
- PC qualify with 150 total monthly points.
- If you fail to earn enough points to meet the monthly qualification during any calendar month, your consecutive months qualification will be reset to zero. However, to make it easier for you to continue qualifying each month, you can "carryover" points from the previous month. Performance Club points exceeding 150 will "carryover" to the following month, up to a maximum of 150.
- New recruits must be placed by 11:59pm CT in order to count 50 PC points for the current month.
- Legal Plan upgrades (Preferred or Premium) will NOT issue Performance Club points or premium toward incentives or level advancement qualifications.
- All new or reinstated associates must be Network associates and have an active legal plan membership linked to their agreement before they will count as a new recruit. An active linked IDShield membership will be counted if the recruited associate resides in a licensed state or Canadian provinces where legal plans are not offered.
- A reinstated associate must be canceled for three years for the writing agent to receive upgrade points.
- A reinstated member must be canceled for five years for the original writing agent to receive points or canceled 6 months with a new writing agent.
- No PC points will be issued for a member who reinstates and upgrades simultaneously.
- Fast Start points will be issued in the month the new associate (recruit) Fast Start qualifies. For full Fast Start guidelines, [click here](#).
- Groups must meet the minimum requirement of 3 unique new memberships and \$100 in premium for payroll/partial fringe groups. 3 unique new memberships and \$150 in premium for bank draft/full fringe groups.
- Groups will have 30 days from the date the group is opened to get 3 unique new memberships and \$100 in premium for payroll/partial fringe groups. 3 unique new memberships and \$150 in premium for bank draft/full fringe groups to issue PC points. Points will be issued in the month that the qualifying group meets all criteria. National Plan groups do not issue PC points.
- Licensed Agents must pay associate fee before PC points will issue to the recruiting associate once they have their first activity. Please email performanceclub@ppls.com once they have their first activity, and we will issue the PC points.
- Effective September 1, 2023, all National Plan sales will issue PC points. Each premium dollar sold, equals 1 point unless the membership is sold under commission split. Then the associates would receive partial credit based on the terms of the split.
- Associates with multiple agreements will show PC Qualified on all agreements only if they are combined for PC.

PC Bonus Eligibility

- All associates must have an active LegalShield Advantage or Advantage Plus subscription.
- Performance Club points determine if you qualify for bonuses, trips, and other rewards.
- All associates must be in good standing with the company to receive incentives, including bonuses or trips. Any associate that is currently being sanctioned or on hold status will not be eligible.
- To earn a PC bonus check, associates will need to qualify for three consecutive months. The first PC bonus check will be applied for payment in month four.
- Minimum personal 6-month rolling retention required to be paid a PC bonus is 75% or higher. Bonuses are paid on the previous month's personal retention.
- Associates who meet the 150 points requirement but fall below the minimum 75% retention metric will retain their consecutive months qualified streak but will not earn any bonuses until their retention increases to the 75% threshold.
- Associates in a Hold Status are generally permitted to continue selling memberships, recruiting associates, and earning PC points, unless instructed otherwise. Commissions and bonuses will continue to accrue but won't be paid until the reason for the Hold is resolved.
- Bonuses will not be added to your cash accrued, and will in no way affect your debit balance.
- Bonuses are processed on approximately the 7th of each month

PC Mulligan

- The PC Mulligan will remain available once per 12-month period to assist associates qualifying for PC (150 Points).
- Associates must make up the points by the 15th of the following month and all processing deadlines must be met.
- When the PC Mulligan is used, it will allow the associate to earn the bonus in the month the Mulligan is used, but the previous month will be forfeited.
- PC Mulligan can be used any month except for the last qualification month of the annual trip incentives. Trip incentives typically require Performance Club qualification with personal activity each month of the incentive period.
- The Mulligan applies to agreements allowing associates to make up the points missed the previous month.
- The Mulligan will automatically drop off if it is not used.
- New associate has to be active 120 days before they are eligible for a reboot.
- You can email performanceclub@ppls.com if you choose not to use the Mulligan. This will be removed the following month.
