Results

The background is a solid teal color. There are several thick, dark blue curved lines scattered across the image, primarily in the corners, suggesting a stylized globe or abstract design.

Where we've come from

History

Two years of libraries meet-ups

- Cambridgeshire & Warwickshire Libraries
- **10** meet-ups to date
- Average attendance: **48**
- Attendees from **around the UK**
- Digital Inclusion in Libraries in England **report**

This was the first time I have made it to one of these meetings - I'll definitely be looking out for the next one. Really good to hear such specific feedback from libraries - inspiring and practical.

What we are learning about digital inclusion in libraries

Fantastic local partnerships with community sector

Brilliant initiatives in digital accessibility

How libraries can prepare all staff to support people to get online

Tips for overcoming common delivery challenges

Innovation in connectivity, e.g. mesh networks and the databank

Dedication of library staff despite a lack of service strategy in many cases

The background is a solid purple color. In the top-right and bottom-left corners, there are several thick, teal-colored curved lines that sweep across the space, resembling stylized waves or abstract shapes.

**What digital support do people in
your community need?**

What do you / can you do about it?

What will you do next to meet your community's digital support needs?

[Join at menti.com](https://www.menti.com)

The background is a solid orange color. There are several thick, yellow, curved lines scattered across the page, resembling stylized rays or abstract shapes. One large curve is in the top right corner, and another is in the bottom left corner. There are also smaller, more vertical curves in the middle left and middle right areas.

What did you find out?

What will you do next to meet your community's digital support needs?
