

**JORGE PACHECO, P.E.**  
**Petroleum Engineer**

---

Responsibilities include providing a wide variety of petroleum engineering, underground storage engineering and mining engineering consulting services to oil and gas companies, gas transmission companies, natural gas and liquids storage companies, banks, trusts and institutional investors.

**Education**

---

Louisiana State University (USA) 2016 – Bachelor of Science in Petroleum Engineering

**Previous Positions**

---

**Bureau of Safety and Environmental Enforcement** Houma, Louisiana, USA [2019 – 2022]

Well Operations Field Engineer Performed engineering and operational analysis of complex, advanced, state-of-the-art, oil, gas and other mineral facilities in the Gulf of Mexico. Served as field engineer over inspection and audit activities in the areas of drilling, workover and completion.

**Enrema, LLC** Sunbright, Tennessee, USA [2018 - 2019]

Production Engineer Planned, analyzed and optimized the company's production practices by taking part in the evaluation of oil and gas reservoirs, the development of the extraction method for these resources, as well as any other aspects of the production process.

**Louisiana Department of Natural Resources** Baton Rouge, Louisiana, USA [2017 - 2018]

Engineer Applied petroleum engineering principles to understand injection permit applications and made visits to well site locations to ensure compliance with state and federal regulations.

**Railroad Commission of Texas** Houston, Texas, USA [2017]

Field Pipeline Safety Inspector Established quality and adeptness of pipeline systems through timely investigations and consistent testing of exposed portions of the pipeline on the system; submitted reports regarding results.

**Bureau of Safety and Environmental Enforcement** New Orleans, Louisiana, USA [2016 - 2017]

Physical Science Technician Performed routine processing of incoming petroleum geoscience and ancillary engineering information.

**Professional Societies**

---

Registered Professional Engineer (Louisiana No. PE 0051131)

Solution Mining Research Institute
