# SMART DRAWER

MULTI-LEVEL DRAWER ORGANIZER

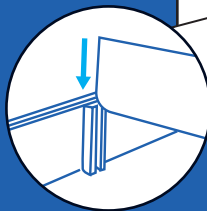

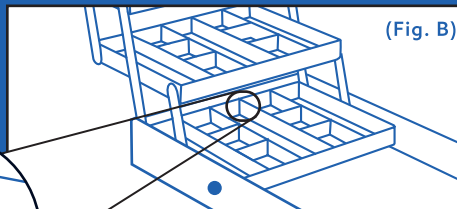

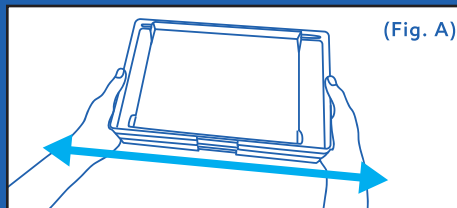

Thank you for your purchase of Smart Drawer- the new, compact, and versatile way to organize and store your household items. With 3 expandable layers and 12 separate dividers to customize your drawer, the possibilities are endless!

## WHATS INCLUDED:

- 2 Sectional Dividers
- 2 Connector Dividers
- 4 Long Dividers
- 4 Short Dividers

## USING YOUR SMART DRAWER:

1. Remove all parts of your Smart Drawer from the box and lay them out on an open surface.
2. Once you have selected the space where you would like to install your Smart Drawer, clean the space thoroughly and make sure it is completely dry.
3. Smart Drawer is expandable horizontally. To select the size that works best for your drawer, hold both sides of the Smart Drawer and gently pull out until it reaches the desired size. (Fig. A)  
**NOTE:** Be sure your Smart Drawer can fully open and close successfully in its spot and then collapse the unit shut.
4. Now that the size is selected, you may fasten your Smart Drawer in place. Your Smart Drawer comes with 4 pieces of 3M tape and 4 screws for securing the unit. You may use either or both options to fasten your Smart Drawer in place.
5. Use the dividers to customize your Smart Drawer storage compartments by sliding the dividers, curved corner down, into the grooves along the edges of the Smart Drawer to create sections. (Fig. B)
