Dear Patrick David Antoon:

Re: OI File Number 6-03-40660-9

You were excluded from participation in the Medicare and Medicaid programs by the Office of Inspector General (OIG) of the Department of Health and Human Services (HHS), effective November 20, 2006, under section 1128(a)(1) of the Social Security Act (Act), for a minimum period of 18 years.

On April 29, 2014, you were notified that the OIG had approved the request by Andrew Allison, State Medicaid Director, Arkansas Department of Human Services, Division of Medical Services, for a waiver of your OIG exclusion with respect to items and services furnished, ordered, or prescribed by you as a medical doctor specializing in primary and family care physician services in Lafayette County, Arkansas, to Federal health care program beneficiaries.

The OIG has consulted with the office of Elizabeth Pitman, Director, Division of Medical Services, Arkansas Department of Health and Human Services, and determined that the basis for the waiver no longer exists. As a result, the waiver previously granted to you by the OIG on April 29, 2014, is rescinded effective 10 days from the date of this letter.

Your exclusion under section 1128(a)(1) of the Act will remain in effect until you have applied for and been granted reinstatement by the OIG. The 18-year term of your exclusion will end on November 20, 2024, and you may apply for reinstatement up to 90 days prior to the end of your term of exclusion, or as of August 22, 2024. A request for reinstatement must be made in writing and submitted by email to exclusions@oig.hhs.gov.

Sincerely,
