Pre-Submission Information

PLEASE READ

- You only have 2 options for submissions - a PDF or a LINK.
- If a contest requires a PDF you must upload a PDF
- Please use an UNLISTED YouTube video for any video/audio files. We have many issues with files put behind a Google Account. If a judge can't access the file on the first try, per National Rules, it will not be scored.
- Do not use links to private Google Drives unless you KNOW for a fact anyone can access - the judges will not request access and your entry will not make it past the GO/NO requirements

*Please note that National TSA may have different requirements for events that are Pre-Submits. Please see the National Rulebook for more information if your chapter advances to Nationals.

Portal will open on March 18, 2026 - 8:00 AM CST

**All uploads must be in JudgePro by 5pm CST on March 24, 2026.
NO EXCEPTIONS!**

**Submission
Portal**
