

Pre-Service PRAYER

**15 min before weekend
services in the service halls**

"The prayer of a righteous person is powerful and effective."

- James 5:16b

In James 5, we are encouraged to pray in faith for any needs, trusting in the power of God and the prayer of faith to release miracles, healing, restoration.

15 minutes before our weekend worship services, our doors open for pre-service prayer. We present our prayer requests to God and trust that He is where our help comes from. We also intercede for the salvation of loved ones who are precious to God. We believe God still does miracles today.

This time of prayer is also an important time of preparing ourselves to encounter the King of kings and Lord of lords in our worship services. Let's come early and allow the Holy Spirit to stir our appetite for more of God!
