### Errors

- Saves are abbreviated sv, not ST, with an index reference to p. 48.

### Clarifications

- Harm dice are d6s.
- Swaying someone's attitude means changing it 1 step up or down using a Cha roll, with the Parley modification in the reactions table.

### Optionals

- In the list of gear, the reader is encouraged to choose for herself whether she wants carpentry tools or a very expensive set of carpeting tools (hey, some rugs can be tough!).
