Provide customers with the most comfortable and relaxing moments of leisure.

www.limeberry.in

2017

This year births the new horizon era in the form of SPAREPEDIA. It starts with enormous dreams into the venture of business to profound the name with small man power but humongous energy.

2021

Dreams came true with the demand of electronic goods into the form of orders by multiplying the customers. It is about to touch the unwind success steps of development and quality with the commitment of meeting the timeline of customers.

2023

SPAREPEDIA bloomed with the emergence of multiple products like Digital Standee, Air Cooler till the completion of the year 2023. Digital Whiteboard and Music System are the essences of business process.

2025

A long way is yet to travel with our norms, values, consent and commitment towards the customer. We are committed to beautify the world of our customers who have in deep trust on us. This is the goal of forthcoming time onward.

2019

Steps goes further dynamically to invent the versatile fortune of the business. The beauty lies within the wave of electronic commodities; those are really integral part of our life in 21st century. SPAREPEDIA flooded the electronic market with the annual sales of 3 thousands units of LED TVs by putting into the production of workshop.

2022

With the introduction of Limeberry by SPAREPEDIA in the beginning of this year itself, business grew fantastically and attracted the customers who are not reachable. Manufacturing incredibly impacted the way of business process.

2024

Proficiencies transformed into expertise once our team works bursts with fragrance of verities into the form of multiple products which spreaded into the specialized discipline of manufacturing.

Electronic & Home Appliances

Certificate of Compliance

We hereby declare that the technical file of product notified with the requirement of directive 2014/53/EU Low Voltage Directive & 2014/53/EU Electromagnetic Compatibility Directive.

Certificate No.: CB-6164

Manufacturer
Name: **SPAREPEDIA PRIVATE LIMITED**
Address: **PLOT NO. 41, HSIIDC, SAMALKHA, DISTT. PANIPAT, HARYANA INDIA, INDIA**

Product Models
- ELECTRONIC & HOME APPLIANCES

The Certificate has been prepared in accordance with the above product quality system covering the design, manufacture and final inspection of the certified product. The quality system has been assessed, approved and subject to continuous surveillance according to Directive 2015/1018 Low Voltage Directive & 2014/53/EU Electromagnetic Compatibility Directive.

This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced product and it does not substitute the design or type certification procedures, if required.
2. The certificate remains valid until the manufacturing conditions or the quality system are changed.

The certificate validity is conditional by positive results or surveillance audits. The CE mark on above mentioned can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production.

Validity of the certificate can be verified at www.ukcertification.org.uk/whl

Date of Certificate	15th December 2023
1 st Surveillance Audit Due	14th December 2024
2 nd Surveillance Audit Due	14th December 2025
Certificate Expiry subject to the company maintaining its system to the required standard	14th December 2026

Authorized Signatory

This certificate remains the property of UK Certification Limited and shall not be used for any other purpose without the written consent of UK Certification Limited.
