Pocky or Mini Japanese Kit Kats \$2

cream-dipped, crunchy Japanese cookie sticks // ask about flavors (v)

Sporting one eye, a long tongue, and a single leg, Kasa-Obake are umbrella yokai that spring to life after being neglected for a long time.

They are playful, mischievous spirits who enjoy hopping around and sometimes taking unsuspecting humans on a ride into the air on windy, stormy days.

Remember to open your umbrella every so often so it doesn't get lonely!

// add spirits or 3mg THC \$5 //

THE STORY OF YOKAI

Yokai are strange, powerful spirits from Japanese folklore. Depending on the type, they can be mischievous or dangerous, kind or menacing, and can even bring good fortune to those who encounter them.

Inspired by Japanese izakaya culture, the restaurant + bar Yokai is a meeting place for friends to catch up and have a few laughs in a casual setting over affordable drinks and food. Literally translating to "a place to relax and drink," izakaya are a melting pot of flavors, cultures, and tastes where everyone is welcome, and it's usually where you'll find friends enjoying each other's company after work and on the weekends.

Kanpai!

LOOKING FOR
GIFT CARDS, TAKEOUT,
DELIVERY, OR SOME SWEET
YOKAI MERCH?!

LET'S LEARN SOME JAPANESE

- Gochisousamadeshita - loosely translates to "thank you for a wonderful meal," used to thank chefs
- Kanpai - "drink your cup dry," aka "cheers!"
- Kuchisabishii - to eat because your mouth is lonely
- Kuidaore - to eat until you're bankrupt
- Ikigai - the things that make life worth living
- Itadakimasu - "I humbly receive," said before meals
- Irusu - to pretend to not be at home when a visitor knocks on your door or rings the bell
- Nakama - a beloved friend considered family
- Oishii - delicious, tasty
- Tsundoku - piling up books you haven't read
- Wabi-sabi - finding beauty and meaning in flaws, impermanence, and imperfection

// we can also make a wide range of classic cocktails, just ask //

Kitsune are powerful, clever, fox-like yokai who are wise and cunning.

In Japanese legend, they are signs of both good fortune and mischief to come.

The number of tails a kitsune has reflects the creature's age, wisdom, and magical prowess.

Kitsune gain additional tails as they grow older and accumulate more life experience.

HIGHBALLS
